THE NEW Letter Of Hope

Vol 4, Issue 2

NEWSLETTER

October 5, 2008

Congratulations to all our 08 Graduates

On behalf of Pastor A. L. Underwood, First Lady Kathy Underwood, the staff of the Publication Ministry and all the members here at Renewed Hope, we would like to say congratulations on a job well done. It took a lot of hard work and very long hours to get to this point in your life. With a watchful eye from your Father above, the support and encouragement of your parents, the shoulder and help from your friends, the will, determination and sacrifice within you, you have endured, pressed on and conquered a re-

warding and fulfilling time in your life. As you embark on the journey of life, may you continue to acknowledge the skills and teachings of the Word of God and continue to use them as your firm foundation for future success in whatever endeavor you pursue in life. I would like everyone to acknowledge the success of these young men and women on their 13 years of never giving up or giving in. You can view pictures of these graduates online at www.rhmonline.org/08grads. Remember graduates, if you have not submitted your pictures, contact William or Tasha to have them added to the page. We would also like you to submit your accomplishments, awards, etc to be displayed also. I would like to take this time to apologize for the lateness of this information and also for the late publication of our newsletter. We've recently added two new members to our staff and look forward to offering the LOH to our members on a monthly basis once again.

Speak Out

SIMMERING FIRE

As a church, we have a obligation to inform and encourage. It is our responsibility to carry out the will of our Father. I want you to take a moment and think about how much time you really put into doing your part in this church. Do you pay your tithes faithfully and consistently? Do you give an offering alone with a assignment? Do you make time to encourage, teach and motivated the youth of this ministry? Do you make time to go out and witness to someone? Are you able to join and participate in a Helps Ministry? Are you doing all you can move RHM further to our vision?

Think about it. As a member of RHM, we are probably the most well informed ministry in Alabama. The time has come make that simmering fire start raging. Its time to give God back more of our time instead of convenient times and schedules we do now. We need more interaction as a church family, more fellowshiping as a church family not just on Sundays and Wednesdays. The time has come to get back involved as a church. Raise the dial on your fire and lets grow farther, together.
