

RHM's New Parking Lot

Deal Finalized

Renewed Hope can add another victory to our wall of accomplishments for 2007. As of Monday, December 3, 2007, Renewed Hope Ministries officially took ownership of our land, which will be converted into a much needed parking lot for our church campus. Pastor Underwood along with Deacon Witherspoon and a spotlight appearance by Bro. Slaughter, on behalf of the Publication Ministry, meet with the seller, Albert Mays and mortgage consultant Jeff, to hammer out the final details of the much anticipated and sometimes overwhelming feat to acquire the land for the expansion of the Renewed Hope Campus.

We would like to say thank you to all RHM members who gave their time, money and support to each and every project and event that was done to help raise funds for the land. A special thank you, to all our area churches for their members and ministries that came out to support us at each event we hosted from: the Land Drive Car Wash, Walk the Land Prize Giveaway, Plant-A-Seed Fundraiser, Special Offerings and Donations contributed throughout the community either by friends, family members, businesses or co-workers. Thank you for sharing in our vision and lending your support.

We've learned some valuable lesson's from this project and now look forward to readjusting certain criteria and procedures to help us in the next phase of our expansion (acquiring the land from 27th St. to 28th St.) to further build, provide and established a permanent mark in this community and for others to come and share in the good news and glorious word that God has for us. The battle has just begun, we will suit up once again and return to the battle field. Merry Christmas & Happy New Year, see you in 2008!

Renewed Hope Has a New Website

It's Here! The upgraded and revamped Renewed Hope website was released on November 1, 2007. An entirely new look, features and new additions still to be added. The original site, www.aluministries.com was officially deactivated on November 30, 2007 and will no longer forward visitors to the new site, www.rhmonline.org. The name change came with the upgrade and insignia recognizing RHM as a church organization. Check out the new site out today and give us your thoughts and feedback on the new site, email: pm@rhmonline.org

Financial Advisor

It's that time of the year again where people max out their credit cards and start accumulating debt. A few words of advice this year. Don't buy more than you can afford. Don't stress if do not have the funds to purchase certain items. Go into 2008 more financial stable and stress free. After all Christmas is the celebration of our Lord and Saviors birth, not birth of a New Years debt baby. Have a safe holiday and remember the real reason for the season. See you next year!
