## Fundraiser Winners

Thank you to everyone who participated in our "Walk the Land Drive" fundraiser day which included: \$5.00 car washes with free hot dogs and the land drive raffle. We raised over \$500.00 to go towards our land purchase, also Sis. Underwood's prescheduled yard sale raised over \$125.00. Her second yard sale event is in the works, so make sure you visit us online or check the message board to learn more. Hey take my word for it, she have items for sale that people would actually want to buy. Compare that to some of these other yard sales you visit.

Special thanks to our volunteers who did a great job: Marilyn Doss, Precious Marcus, Kelvin Campbell, Alberta Slaughter, Robert Humphries, DeAndre Paige, Willie Campbell, A.L. Underwood, William Slaughter, Taurice Campbell, Antonio Mack, Tiara Tompkins, Shun-quetta Tompkins, Gary Harris, Monyua Harris, LaDarick Simms, LaQ-uian Simms and Mikah Oliver for their time, effort and labor. We know everyone was rooting to win the flat screen TV, better luck next time! Congratulations to all our winners and thank you for your support.

## A Letter from the Editor

Hey everyone, I tell you one thing, if my space gets any smaller I'll be on the same level as Sis. Doss. Just kidding. I only have a couple of things to say. September will be a busy month for the PM with the release of some new programs. We are excited about the new site and can't wait for you all to see it. Also the PM is HIR-ING! Yea right, but we are looking for a few good reporters. If you would like to volunteer your time, contact me or any member of the PM. In closing, don't lose focus of your mission and continue to strive for perfection.

Until next month, stay blessed!

## Financial Advisor

**CREDIT CARDS:** If you are one of the millions of credit card holders, then you already know how quickly those charges and interest can add up from a single purchase. It is a well known fact that credit card debt is the #1 reason for bankruptcy and debt consolidations. The good news is you can control and manage your credit card debt. Only use your card in case of emergencies and always charge what you can afford. When the next bill comes, pay it in full and avoid paying only the minimum monthly payment. See you next issue!
