our ride is finally here. Yes, Renewed Hope finally have our church van. A 2007 Ford E350 15-passenger with the v8 engine, not to mention the hot new ride our great pastor so richly deserved, an elegantly styled 2007 Chrysler 300C. Yes 2007 is continuing to release blessing upon our family, the most explosive blessing will be the ground breaking of our new Regional Worship Superstructure, man I can't wait for that one. Please visit us online for more pictures and information about what's going on in our church.

At the beginning of the year, we said 2007 was our year of release. It couldn't be more evident, just look around. We have a much needed landscaped campus adding beauty and attractiveness to our church home. Our rest-room areas have received extensive and long overdue remodeling in both the men and women's area. And there's more ahead. You will receive a manual detailing what's next in line at RHM. And the best news of all is

A Letter from the Editor

Good evening Renewed Hope family, 2007 continues to be an awesome month for the RHM family as you can tell from the above column. The PM started our 'Get More Involved Campaign' at the beginning of the year with our newsletter contest. Now it's time for second phase of the GMIC our WalkDWord outreach program. I can only give a brief description due to the space available, but please visit us online for a full description or contact a member of the PM. Volunteers will be needed to assist with this program, so please get involved. The mission of the GMIC is to get more church members involved in an helps ministry, don't forget you can serve God more by being a doer and not just a hearer. RHM have a variety of helps ministries available to assist with the spreading of Gods word so let's get involved. WalkDWord is a collaboration of some of RHM helps ministries getting together to spread the word of God in the shopping centers, neighborhoods, nursing homes and more. Check the online site for full description and schedule or join us May 19 to learn more. Members and teens not involved in an helps ministry are encouraged to volunteer. It's time to take the knowledge we have been taught out beyond the doors of RHM and into the streets of our neighborhood. Also, with this being the Mother's Day issue the Q & A and Media Center sections will not be available but will return next issue. We encourage everyone to utilize the Q & A section to know more about what's going on in our church. Until next time - Get Involved, Stay Blessed!

Know What's In Your Credit Report

Many of us go years without knowing what's in our credit report until we try to make a major purchase. In this day sadly many of us are victims of identity thief. It is important to check your report at least once a year. In 2004 the federal government mandate that you be able to view your credit report for free once a year. I encourage everyone to take advantage of this service, it will save you a lot of headaches in the long run. Go to www.annualcreditreport.com or visit the helpful links page online. The Lord's Army

A friend was in front of me coming out of the church one day, and the pastor was standing at the door, as he always was, to shake hands with the worshippers. He grabbed my friend by the hand and pulled him aside. The pastor said to him, 'You need to join the army of the Lord.' My friend replied, 'I'm already in the army of the Lord, Pastor.' The pastor enquired, 'Then how come I don't see you except at Christmas and Easter?' My friend whispered back, 'I'm in the secret service.'
