A Renewed Hope Ministries Publication

Volume 2, Issue 3

Walk the Land Drive 2007

half of the total cost of the land which stands at \$6,000.00. As of Sunday, June 10th we have raised \$1,695.00 which is very close to our goal. We only need \$1,305.00 to be at the halfway mark. We hope to reach our goal by Sunday, July 1st. To complete this project, we need the commitment and support of every member of Renewed Hope to put your faith and prayers in high gear along with your monetary donation. Every cent counts towards the purchase of this land. This is our year of release and we continue to move forward toward our vision of establishing a more permanent mark here in the city of Bessemer to be the benchmark cornerstone for the entire Jefferson County area. Don't believe me? Take a look, we've remodeled our restroom areas, our lobby area, the exterior of our church home. We've landscaped our campus, purchased our van and gave it home, now it's time to grow our campus with the purchase of this land and eventually continue our growth by taking this entire block as our Father in heaven permits. Join us! Get more involved and let's grow this ministry together as one family in God!

Many of you know, but for those of you who do not, Renewed Hope Ministries is claiming the land across the street, to expand our current campus. Today, we will make our physical presence known by standing on and claiming this property as our own. The claiming of this land have actually been going on since May, we've just finally added a name to the drive. The plan is to get over

A Letter from the Editor

Good evening Renewed Hope family, it's official, Pastor Underwood has given us the green light on the second phase of our "Get More Involved Campaign" (GMIC) 'WalkDWord' project. For those of you who haven't heard about WalkDWord yet, this is collaboration of our teens and other Help Ministry's within Renewed Hope taking it to the streets. We're going beyond the doors of RHM to make our presence known within the Jefferson County community. Our original kick off date has been pushed back to Saturday, July 14, 2007 for last minute preparations to be completed. WalkDWord consist of different activities for outreaching, physical meet & greet, home building partnership with Habitat 4 Humanity, community involvement such as school & community clean up projects through partnership with the City of Bessemer, Bessemer City Schools and Fox6. We want our teens to be the main focal point of making WalkDWord the success it will be, by letting them be the leaders we know they can be and by being the mentors for other teens who only know the way of the world. Our teens will excel and we will give them the push they need and the opportunity to show just how much of a difference they can make in their community, their lives and their church. We are not leaving out the adults, everyone is welcome to participate in WalkDWord. For more information pick up a brochure in the foyer or ask a PM member for one or visit us online to learn more. Sign up forms are posted in the foyer & lobby area of the church and break area of the Alidria Center. Announcements will be made every Sunday & Wednesday until our kickoff date. Get More Involved (GMIC), learn more today!

Until next time - Get Involved, Stay Blessed!

It's important that people should know who and what you stand for. It's equally important that they know what you won't stand for.

Paying Your Bills in Full and on Time!

Stay on top of your bills, sometimes you can't help paying part of a bill, but if you have the funds, it is a good idea to always pay your bills in full and on time. By doing this you will find that you actually have money to spare to indulge yourself in something you have been wanting for awhile. If you don't pay your bills in full and on time, you can find yourself falling further behind and stressed not to mention the negative impact this has on your credit. Try this for one month and you'll see the difference. See you next issue!

The Parable of the Seagull

A woman went to the beach with her children. Her 4-year-old son ran up to her, grabbed her hand, and led her to the shore where a dead seagull lay in the sand. "Mommy, what happened to him?" the little boy asked.

"He died and went to heaven," she replied.

The child thought for a moment and said, "And God threw him back down?"
